***Reasons for allowance***

1. The following is an examiner's statement of reasons for allowance:

Applicant's arguments about claims 1-28 filed in the Appeal Brief have been Considered. The arguments are persuasive and place the application in condition for allowance because none of the references, either alone or in combination, discloses or renders obvious the method for selecting electronic document from a central server and uses a print function of an operating system to transfer the selected electronic document from the central server for storage in an e-book format at a e-book server for later downloading to a remote e-book terminal, via a public network.

***Conclusion***

2. Any comments considering necessary by applicant must be submitted no later than the payment of issue fee and, to avoid processing delays, should preferably accompany the issue fee.
